

THE INTERNAL RIVER

Linked to the Infinite Vine

"Water shall flow from his buckets, and his seed shall be in many waters..." — Numbers 24:7

"Whoever believes in me, as Scripture has said, rivers of living water will flow from within them." — John 7:38

The Old Testament promises that water will flow from your buckets, but the New Testament upgrades this promise. Jesus reveals that you do not just carry a bucket of resources—you harbor the ocean. Your business is directly linked to an internal, spiritual river of innovation, wisdom, and solutions.

In marketplace coaching, we often stress over market shortages, dry seasons, or tight capital. This combined promise shifts your mindset from external chasing to internal tapping. Because the Holy Spirit lives inside you, your business has constant access to fresh ideas and unexpected strategies. You are not a dry well trying to survive; you are a channel through which God pours commercial solutions into many waters.

Practical Marketplace Outcomes

Tap Internal Capital: Before paying for expensive external consulting, spend 15 minutes in quiet prayer asking for divine strategies to solve your current business bottleneck.

Pour Out Solutions: Identify a major pain point your clients are facing this week and launch a free resource, video, or tip sheet that solves it instantly.

Plant in New Waters: Pitch your services or products to a completely new market segment or platform that you have previously ignored.
